Why World Mission Sunday Matters

World Mission Sunday, observed on October 20th this year, is not just another Sunday; it is a powerful reminder of our call to be missionaries. The collection taken up on this day is unique as it is mandated by the Code of Canon Law and is essential for the survival and growth of the Church in mission territories. These funds support the pastoral and evangelizing work of the Church, including building churches, providing healthcare and education, and training future priests and religious. In places where resources are scarce, your generosity makes a profound difference. As we reflect on the theme "Go and invite everyone to the banquet," let us remember that our participation and support help invite countless souls to the feast of God's love.

Red shows the fire of faith that brought the first missionaries to the Americas.

Blue is for the ocean surrounding the islands of the Pacific.

White is for Europe, home of the Holy Father, shepherd of the world.

Green represents the forests and grasslands of Africa.

Yellow is for the morning of the East.
